Message from the Mahoning County Bar Association President...THANK YOU

Our Mahoning County Bar Association appreciates your continued membership and support. Our Bar Association continues to provide leadership, support and services to our legal community.

Enclosed is your 2004-2005 Annual Dues Statement. The Board of Trustees has approved a modest increase, our first since 1999. As you can appreciate, our operating costs have increased; we have moved into new offices; and our membership services are enhanced.

You can be assured that our staff is excellent and efficient; your colleagues are providing the leadership we need in key positions; and our Bar Association continues to make our legal community proud to serve our clients.

Thank you, once again, for your continued support.

**Larry D. Wilkes
President**

Message from the Mahoning County Bar Association Foundation President...

WE NEED YOUR SUPPORT

The Mahoning County Bar Association Foundation was formed in 1982 to maintain the honor of the legal profession; improve the administration of justice; encourage the understanding of the law and provide scholarships and aid for Mahoning Valley students attending law schools. We also administer law school scholarships in memory of some of our deceased members. Currently we have the Harlan Small, Ted Macejko, Sr., Irwin Kretzer and Foundation scholarships. Our purpose also is to aid ill and indigent lawyers and their families, and The Foundation also funds and actively participates in the Law Day functions each year.

The Foundation is committed to continuing this important work, but it needs your help-our funds are being depleted. Our primary source of income comes from Bar members' \$50.00 contributions paid along with your bar dues. Please do not forget us this year. Each contribution helps us promote our bar and do good things for our community.

**Dr. William C. Binning
President**

**Detach and make payment payable to the Mahoning County Bar Association
